

Exemption 21/22 (K) (yes)

The Authority correctly declared itself exempt in 2022 2023

Information on Website (L) (yes)

Information was clearly and correctly published on the website

Period Exercise Public Rights (M) (yes)

The notice for exercise of public rights was clearly published

Publication Requirements (N) (yes)

The authority complied with the publication

My only comment is that raised at (G) regarding payment of income tax to HMRC by the Clerk and then reclaimed.

The accounts and information was all presented well and clear, with a very well written "notes to auditor" which was very helpful.
